*Where is love? It is found whenever we open our heart to someone else, whenever we put the needs of others before our own, whenever we set aside prejudice and listen. Where is love? It's in each of us as we love God and each other.*

**Judy Note on the Global Currency Reset:** Bluewolf believes Tier 4B will be notified with appointments beginning **Mon-Tues 13, 14 June**; Goldilocks says the greatest transfer of wealth in the world's history will take place in the **next 2 ½ weeks**; Bruce's Bank contacts say Tier 4B will be notified by **Mon. 13 June**. Fleming thinks it won't happen until **July**, while Fulford contends that the Dinar-Dong-Zim increase in value was a scam.

**Reminder: No one, and I mean Absolutely No One** knows the exact time and date that the Global Currency Reset would be finalized, with codes entered for notification of Tier 4B (us, the Internet Group) to set redemption/ exchange appointments – it dependent upon a life changing, earth shattering Event or Events that would eventually implode the global economy. That deadline would be decided by the Military out of calculations of their Quantum Computer and based upon concerns for safety of The People. Trust the Plan.

- **Sun. 12 June Bluewolf (as translated):** Attention P.R. and all Spanish-speaking countries – this blessing is about to begin. According to the Pentagon, we could receive the 800 numbers **at any moment**. Others confirm. You are on Alert. I only ask you to pray that there is no attempt to obstruct. The coffers of change will open **Monday to Tuesday this week (13, 14 June 2022)**.
- **Be ready with documents in hand.** All changes will be made by HSBC or WF (Wells Fargo). They need two forms of photo ID, two forms of residency identification, birth certificate. You need an area code of the state where you want to change. We are on the verge of receiving this blessing.
- **Rates will be a comfortable high** and I understand that the Zimbabwee will be traded without any de-zeroing and be on a 1 to 1 USTN basis.
- **Reno has the money in their coffers** and the codes are activated. The only thing missing is a sequence that would start everything (Posperity Packages, private placements) for the Global Currency Reset.
- **Everything will come out of the Saint Germaine Trust**, which takes over 400 years to distribute the GCR and RV of all 209 countries.
- **History may forget me or Bruce, Cap, Okie, Studley, Stewart, James Mendez, even Terry K**, but you know that they, like me, never sold them dreams and never lost faith in this BLESSING OF GOD for this humanity. The times of victory are drawing near now. I only recommend that you have a small package ready in the corner of your room to start your business trip. Be blessed and be on alert. But that is if you are prudent and do not despair because that is not what God expects of you. And as a spiritual being I can assure

you that if you get desperate then you criticize, then you doubt and that only interrupts the arrival of this blessing, you are either the wick of light or you are the wick of destruction. Which one are you? Na'maste Bluwolf

- **Goldilocks: For the next two weeks and a half, we are going to see a great transfer of wealth inside the digital economy and the open market.** Liquidity is going to be transferred into new hands and new pockets. During this time, upgrades into the new digital banking system will be coming to a completion. Look for new liquidity to move into the new digital financial system backed by real assets such as commodities to support this new growth.
- **Goldilocks: On June 17th,** option contracts are coming due. Traders are going to have an option to continue the trades they are in or purchase new opportunities somewhere else in the markets. This is a week of planning, executing, and positioning for many investors. It is a 3.2 trillion dollar choice that will be made in the next few days.
- **American Patriot: Over the past three years or so the Quantum Financial System** has connected to the archaic Central Bank SWIFT Computer System and obtained account information from every bank account in the world. All data including every transfer attempt through the SWIFT system has been recorded and saved. This means that every time money is transferred, the QFS has recorded the account number of where the money came from, who transferred it, when, and the account where it ended up.
- **X22 Report:** There is a parallel system emerging that will wreak havoc on the Central Banking System. Gold will make a move during this time and the people will want accountability and the Fed is in the crosshairs. <https://rumble.com/v18358f-bill-holter-a-parallel-economy-is-emerging-which-wreak-havoc-on-the-cb-syst.html>
- **Sat. 11 June MarkZ:** “Banking, Bond and Church groups promised funds released over the weekend with spendable liquid cash. Shabbi said the Dinar could go between **\$14 to \$17**. The Banking side was leaning hard on everyone to shut up on the timing and on who was coming, going and when. Bank tellers were being trained in how to validate Vietnamese Dong and Iraqi Dinar. Bond Holders expected liquidity within the next couple of days, while Iraq believed their new Dinar Rate would be public within the next eight days. **This week** Redemption Center folk have had a lot of conference calls in preparation for exchanges.”
- **Charlie Ward, head of the Redemption Committee:** “Once I get the Green Light from the QFS Team I will inform you immediately. I will get the Green Light once the Tokens are moving. Currently it just FIAT that’s moving – to provide mobilization.”
- **Sat. 11 June Fleming:** The banking system has seen huge movement of money represented in tiers 1, 2 and 3. Tier 1, 2 + 3 all have liquid funds dispersed all over the world including here in the United States. This is for distribution to down-line and to support humanitarian projects. This money is loaded into accounts waiting on one code to be entered. (It was Fleming’s personal opinion that completion of the GCR would be pushed into **July and not happen this month**).

- Thurs. 9 June 2022 The Big Call, Bruce:** [Thebigcall.net](https://thebigcall.net) 667-770-1866 pin123456#  
 This week there were Conference calls between US Treasury, Wells Fargo and Redemption Centers which indicated: Tier 3 Bond Holders liquidity **Fri. night 10 June.** Tier 4B notified by **Mon. 13 June.** Tier 4B could set appointments for **early next week.** **Fri. 10 June and Sat. 11 June** Bank tellers will be trained on the Global Currency Reset. **On Wed. 8 June** Iraq announced their new **Dinar Rate, which was expected to be around \$8** at the Redemption Centers. Tier 5 the General Public, may go to the banks and exchange at the new rates starting **Tues. 15 June.**
- Sat. 11 June Fleming:** Behind the Scenes As of 3 weeks ago something shifted - in a huge way. This something was military movement on our behalf. ISO 18 19 and 20 establish true accountability and trade ability for digital currency. The US has a digital currency that is being used presently, representing the US dollar that is called USDT - Tether. "TETHER" is actually coming to the US from Hong Kong. It is a Hong Kong entity using US Government bonds and assets, verified and validated on the world stage. Tether has the ability to represent the US dollar for trade with countries presently using asset-backed currency. It is the bridge we've been waiting for. The banking system has seen huge movement of money represented from tiers 1, 2 and 3. Tier 1, 2 + 3 all have liquid funds dispersed all over the world including here in the United States. This is for distribution to down-line and to support humanitarian projects. This is desperately needed. This money is loaded into accounts waiting on one code to be entered. The Exchange Centers have been operating with small staff, still only Friends and Family. People are leaving with 1%, not spendable. Only waiting on one code. When that will be is anyone's guess.
- Sat. 11 June Wolverine:** The world wide economy is on financial collapse right as we are seeing so many companies going bust. Revlon the giant cosmetic company is also filing for bankruptcy. The building industry is also suffering as there are dozen of huge building companies that have gone bust and the name goes on. Petrol prices everywhere are going through the roof and inflation in some countries have hit over 10%. Sri Lanka is a total mess as people are starving and hunting politicians and the fake media does not report it. We are heading to the final stage as this needs to give in and allow this blessing to be release any time. Once this is released it will cause a domino effect which we will soon have our freedom and meet this new world. I'm hearing great news and praying that almighty God that this is done ASAP as the world cannot hold on any longer. Wolverine

- **The Real Storm is just beginning.** It’s going to get darker and darker. Inside war Battleground fields and fronts take time. You take ground. You lose ground. The process repeats itself over and over until the war is won.
- **Several incidents were stopped by the Alliance. The below were just a small fraction of what’s happening behind the scenes in the Fog of War we are all in:** (1) The Tsunami wave that was meant to kill everyone in Seattle Washington. (2) The Deep State had tectonic weapons centered on the Yellowstone Park Underground Volcano that was stopped from exploding. (3) Since 2015 several Nuclear Warheads including several Nuclear Submarines have been recovered in the DUMBS of DC, Florida (Disney), Five Fingers Lakes and LA.
- **No dates, only Events:** Human trafficking, World Wars, Tyrannical Slave system that steals your money puts you into debt to death, Release of Bioweapons SARS 1&2, Release of frozen Bio-weapon Spike proteins sprayed through EU,U.S. and cities around the world. - **Trump put Fauci center stage to expose the Truth:** Fauci covered up HIV being a Bio-weapon in the 80s; Fauci covered up the real treatments for HIV; Fauci covered up for the fake HIV treatments that killed people; Fauci covered up the Cancer Virus that infect Vaccine stock piles across the world; Fauci created the Gain of Function in Covid-19 and proceeding strains; Fauci created the vaccines. This isn't the first time Fauci was involved in Pandemics directly connected to World Elites who all help fund Faucel.
- **Exposing Fauci is exposing the people behind the scenes:** NIH, CDC, WHO, Gates, GPMB, CIA, Clintons, Obama, World Leaders who covered for Big Pharma companies and are directly involved in investments.
- **The Pandemic, Banking System and world compromised leaders** are all tied to blackmail Epstein, Mossad and Five Eyes agencies.

- **It is not the people of Australia, it is the country of Australia that is a major DRAKON STRONG HOLD.** The global elite originally set up Parliament House in Canberra as their central seat of government to rule the planet. The headquarters of the main US intelligence agency is not in Langley, Virginia, but in Melbourne, Australia.
- **Central Australia is home to the world's most important underground facilities,** built like underground hotels where the global elite seek refuge after implementing their original global extinction plan, only to come out when the dust settles. Under Canberra there are many levels of draconian bases that can be accessed by submarine and by spaceship that lands cloaked in the lake in front of Parliament House (Lake Burley Griffin).
- **Under the lake** they have access to the many levels that are under the Australian Parliament building.
- **Under Uluru (Ayers Rock)** in the center of Australia is the largest genetic cloning lab in the world for the dark.

- **Australia has a MASSIVE underground tunnel system** and is littered with DRAKON bases, all connected by large tunnel systems built over 200 years ago with draconic ET technology. Tunnels from Melbourne lead directly to Tasmania and from Tasmania to Antarctica. Tunnels from Sydney lead to New Zealand and Norfolk Island. Tunnels from Sydney lead to Canberra and from Canberra to Pine Gap and Uluru (Ayers Rock) and also to Melbourne. Tunnels from Perth (Geraldton) in Western Australia lead directly to South Africa. Tunnels from Darwin lead to Indonesia.

This also led to the termination of their normal reproductive cycles for the time they received the drug, and in most cases much later. So I have seen many cases where Depo-Provera caused permanent infertility. "Infertility: The Devil's Agenda"

And if it does, yeah, it could stop you getting pregnant or prevent your placenta from functioning properly. That's the concern."

- **Pentagon advisor Col. Doug Macgregor on Russia-Ukraine WAR:** "The issue for the Russians from the very beginning has been, 'How do we proceed without killing large numbers of civilians and inflicting a lot of property damage?' And Putin gave very strict orders from the outset that they were to avoid these things. The problem with avoiding it is that it has slowed the progress of the operation to the point where it has given false hope both to the Ukrainians, but I think has been seized on by people in the West to try and convince the world that a defeat is in progress when, in fact, the opposite is the case. So, the war itself at this stage of the game could be decided very, very rapidly—permanently if Putin were to give the order and allow the forces to disregard the concern for civilians and property damage. But he hasn't done that. He has continued to negotiate even though he recognizes that the people sitting across from him really are not in a position to deliver very much. They're being told what to do, and it's very obvious that Washington wants this to continue as long as possible in the hopes that Russia will be desperately harmed. I just don't see that happening."

**J. Sun. 12 June Sheriff Issues Urgent Warning Against Picking Up Folded Dollar Bills:**  
**'This Is Very Dangerous,'** Andrew Jose: <https://www.westernjournal.com/sheriff-issues-urgent-warning-picking-folded-dollar-bills-dangerous/>

The Giles County, Tennessee, Sheriff's Department cautioned residents on Thursday against picking up folded dollar bills on the ground. Sheriff Kyle Helton said people stumbled across folded dollar bills at a local gas station on two occasions. When those individuals picked up the bills, they found a white powdery substance between the folds. When authorities tested the powder to determine its chemical composition, they found it contained methamphetamine and [fentanyl](#).

"This is a very dangerous issue!" Helton warned residents in a notice shared on his office's Facebook page, adding that it is "a great concern to public safety." Please share and educate your children to not pick up any folded money they may find in or around businesses, playgrounds, etc., without using great caution and even alerting a parent or guardian," Helton wrote.

According to the [National Institute on Drug Abuse](#), methamphetamine is a highly addictive stimulant that affects the central nervous system. Meth is consumed through injection, snorting, pills and smoking. It is most commonly used in its crystal form. According to the NIDA, crystal methamphetamine resembles glass fragments that appear shiny and bluish-white. The drug can raise users' heart rate and blood pressure and can be fatal in cases of [overdose](#). Long-term meth consumption can cause extreme weight loss, memory loss, confusion, severe itching, paranoia, hallucinations and anxiety. Meth users are also more susceptible to diseases like HIV and hepatitis B and C.

[Fentanyl](#), a synthetic opioid, is one of the most common causes of drug overdose deaths in the country. The pharmaceutical version of the drug is approved for medical use as a treatment for excruciating pain.

**L. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities,”** by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

**Jenny Hill’s witness to a Satanic Child Sacrifice Rite:** [Woman Sees Human Sacrifice - YouTube https://www.youtube.com/watch?v=F626Lsrdwg4](#)

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc’s CIA, Queen Elizabeth’s, Illuminati Banking families’ and Vatican’s Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It’s no wonder that President Trump has stated, “These people are sick.”

#### **M. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:**

**Since 1990** I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses and victims of pedophile, torture

and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

## **O. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**P. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.*

*After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for at least 90 days, so I will be going silent and taking that time to get my humanitarian project organized and going.*

*This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
